As you are aware we started Jackson and Dylan in your classes♦ approx 5 years ago for approx 18 months before we moved to Western NSW. In that time we saw their confidence, focus and self esteem grow significantly which we largely attributed to their participation in your classes. </p> <p style="text-align: justify; line-height: 14pt; margin-bottom: 0pt;"> </p> <p style="text-align: justify; line-height: 14pt; margin-bottom: 0pt;">Since returning to the coast we have re-enrolled our whole family. In a short period, we have seen all three children continue to grow in confidence and demonstrate respect and focus. I attribute much of this to your curriculum, professionalism and kindness that are displayed by yourself and all staff within your business. The dojo is a friendly, respectful and inclusive environment.</p> <p style="text-align: justify; line-height: 14pt; margin-bottom: 0pt;"> </p> <p style="text-align: justify; line-height: 14pt; margin-bottom: 0pt;">As you are aware I am a Sergeant within the NSW Police Force and on a daily basis see the negative aspects of our community. I strongly feel that if your teachings and philosophy were available to the broader community that this would have a positive effect on those involved and reduce the lack of respect and self worth that is growing within our culture. Again a sincere thankyou to you and your staff.</p> <p style="text-align: justify; line-height: 14pt; margin-bottom: 0pt;"> </p> <p style="text-align: justify; line-height: 14pt; margin-bottom: 0pt;">Regards <p>♦</p> <p style="text-align: justify; line-height: 14pt; margin-bottom: 0pt;">Wayne Heinze </p>
